I am a good effective witch, and I deserve to be rich  
A wealthy life is my own right, my income grows by speed of light

The pipeline of my highest pleasure, I now tap for endless treasure  
Massive fortune I now find, flowing up from my deep mind

Each dollar I send on its ride, comes back to me multiplied  
Every dollar that I spend, comes back to me ten times ten

Wealth now rushes from the deep, some to spend and some to keep  
My surplus wealth grows ever higher, always more than I require

Mighty power in me flows, my income daily grows and grows  
My investments are a tree, each of them now profits me

These words are the seeds I sow, to reap and harvest my cash flow  
Money swiftly comes to me, and As I will so mote it be.

### **For Cleansing and Order**

I now let go conditions, relationships and things  
That are worn out and run down, invisible or seen  
Order is established, order so divine;  
In every aspect of my life, order now is mine.

To prevent the good that's mine  
Now coming on my way
